

NSE Knowledge Hub

NSE Knowledge Hub is a **next-generation AI-powered Learning Experience Platform (LXP) for the BFSI sector**, that creates a unified, relevant, and engaging experience for building skills and capabilities in finance for corporates as well as individuals. The platform helps corporates and colleges create structured and systematic learning plans in line with their specific learning objectives.

Key Features

- ✿ AI-driven personalized content recommendation
- ✿ Content covering the entire spectrum of BFSI
- ✿ Content curated from world-wide resources
- ✿ Self-paced learning - anywhere, anytime!
- ✿ Accessible on smartphones, tablets, laptops and desktops
- ✿ Micro-org structure for unified learning experience
- ✿ Deep analytics to track individual learning performance

About NSE Academy

NSE Academy Ltd. (NAL) is a wholly-owned subsidiary of the **National Stock Exchange (NSE)**. NAL works towards empowering the BFSI sector with a pool of human resources with the right skills and expertise in each segment of the sector to provide quality intermediation to all stakeholders. NAL works with industry experts, universities, and other educational institutions to create and deliver capacity-building programs for next generation BFSI professionals.
