- Uncertainty of life span
- Secure the life of family members;
- For live-in couples, to secure the life of surviving partner;
- You may appoint guardian / trustee to look after your children & finance;
- For people in separation, must make Will;
- For distributing properties fairly among all children including children/child from your previous marriage;
- To secure all your digital assets & creation;
- If you are the breadwinner, will no more is a luxury.
